

I am adamantly opposed to any changes that will weaken Wisconsin's No Call List provision.

The Wisconsin No Call List has greatly reduced the disruption caused by nuisance calls to our home and I'd like it to stay that way.

I am opposed to an 18 month waiting period and to letting anyone with whom I do business with, or their affiliates or subsidiaries, to call me.

We enjoy the peace the No Call List engenders. Please don't change this.
